Re: Steve Martell/U.S. Scrap Site

Dear Susan:

Thank you again for taking the time to discuss the status of the U.S. Scrap Site with me on June 10 and for assembling the files for my review. I would still like to know the name of the IEPA employee who prepared the U.S. Scrap site report.

Please consider this letter my formal request under the Freedom of Information Act for copies of the following documents. All of these are from the three-ring binders containing the responses of various companies to the requests for information by EPA.

1. Allis Chalmers Corporation, January 19, 1987.
2. DeSoto, Inc., December 9 and December 19, 1986.
3. E. I. DuPont DeNemours & Company, December 1, 1986.
4. Acme Steel Company, January 1, 1987 (filed under "the Interlake Corporation").
5. Monsanto Company, December 29, 1986.
6. Nalco Chemical Company, December 15, 1986.
7. Reflector Hardware, January 21, 1987.
8. R. R. Donnelley & Sons Company, November 7, 1986.
9. Sun Chemical Corporation, January 15, 1987.

June 16, 1987

10. Trilla Cooperage, Inc., October 31, 1986.

11. USS, January 26, 1987.

In all cases, where there are exhibits to the letters, my request extends to the exhibits as well as the letters themselves. If you have any questions about what is intended to be included within the scope of this request, please call me.

Thank you for your assistance.

Sincerely,

*Steven L. Household*
